NOTICE OF PROPOSED RULE MAKING

Adopted: September 25, 1992; Released: October 23, 1992

Comment Date: December 14, 1992

Reply Comment Date: December 29, 1992

By the Chief, Allocations Branch:

1. The Commission has before it the petition for rule making filed by Mayflower Broadcasting Corporation ("petitioner") requesting the substitution of Channel 270C3 for Channel 270A at Monticello, Florida, and the modification of Station WJPH(FM)'s license to specify operation on the higher class channel.¹

2. We believe the public interest would be served by proposing the substitution of Channel 270C3 for Channel 270A at Monticello since it could provide the community with a wide coverage area FM service. Channel 270C3 can be allotted to Monticello in compliance with the Commission's minimum distance separation requirements with a site restriction of 18.0 kilometers (11.2 miles) south, in order to accommodate petitioner's desired transmitter site.² As requested, we also propose to modify Station WJPH(FM)'s license to specify Channel 270C3. In accordance with Section 1.420(g) of the Commission's Rules, we will not accept competing expressions of interest in the use of Channel 270C3 at Monticello or require the petitioner to demonstrate the availability of an additional equivalent class channel for use by such parties.

3. Accordingly, the Commission believes it would be in the public interest to seek comments on the proposal to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, with respect to the following community:

| City | Channel No. | |
|---------------------|-------------|----------|
| | Present | Proposed |
| Monticello, Florida | 270A | 270C3 |

4. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

5. Interested parties may file comments on or before **December 14, 1992**, and reply comments on or before **December 29, 1992**, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

Richard D. Davidson, President
Mayflower Broadcasting Corporation
6155 N. Kirkwood
Chicago, IL 60646

6. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See Certification that Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981.

7. For further information concerning this proceeding, contact Nancy J. Walls, Mass Media Bureau, (202) 634-6530. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no ex parte presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an ex parte presentation and shall not be considered in the proceeding. Any reply comment which has not been served

¹ Although petitioner's request indicates that the original copy of its proposal was signed, it failed to include an affidavit verifying that the statements contained in its petition were accurate to the best of its knowledge. Section 1.52 of the Commission's Rules requires that the original of any document filed with the Commission by a party nor represented by counsel shall be signed and verified by the party and his/her address stated. In the absence of such verification, the petition may be dismissed. Section 1.402(b) of the Commission's Rules concern-

ing rule making proceedings places petitioners on notice that their proposal must conform with the requirements of Section 1.52 regarding subscription and verification. See also amendment of Sections 1.420 and 73.3584 of the Commission's Rules Concerning Abuses of the Commission's Processes, 5 FCC Rcd 3910, n.41 (1990). Petitioner is requested to rectify this omission in its comments.

Dear Ms. Searcy,

Webster Broadcasting has a small problem with the names on our broadcast licenses. Two names were used on the applications when in fact there is only one licensee. Webster broadcasting Corporation is the licensee of KBUS-FM/KGDD-AM, licensed to Paris, Texas. Mayflower Broadcasting Corporation is the licensee of KKHR-FM, licensed to Anson, Texas and of WJPH-FM/WMFL-AM, licensed to Monticello, Florida.

These two licensee are one in the same. The licensee should be Webster Broadcasting Corporation on all the licenses. There is only one corporation, which is incorporated in the State of Illinois.

I visited with Mary Houser of your staff, who was very helpful. She instructed me that there was not a form to rectify the situation, but that I needed to write you a letter to clarify the situation. If there is anything else I need to do, please write or call. I apologize for any inconvenience we have caused.

Sincerely,

Richard D. Davidson
